# BANKRUPT STOCK SALE

This sale comes like a thunderbolt from a clear sky, a flood of sweeping REDUCTIONS to stem the tide of overpriced merchandise which accompanies the in-ushering of the Fall Season, as heretofore stated through the failure of a prominent NEW YORK firm we were fortunate to secure the major portion of their immense output at a ridiculous low cost that could only be approached with a "SPOT CASH OFFER." We mean to break the staff, which dominates over high PRICES. We appeal to Thrift and Economy, and desire the whole of El Paso to attend this opportune BARGAIN FIESTA. The sale of widest scope to start the Fall Season involving not less than

**\$100,000 Worth of New Seasonable Merchandise for Men, Women, Children**

This amazing BARGAIN NEWS will be hailed by the people of greater El Paso, where such economic Possibilities await Them, with the high quality maintained; and the spectacular underpricing, it is needless to dwell upon the necessity for quick action. The public will readily respond.

*When a Pilgrimage to El Paso's Busy Bargain Corner means a saving not duplicated elsewhere!*
